We are delighted to be able to offer free in-person Trauma Informed and Trauma Skilled Training dates this Autumn across Argyll and Bute. Please read the information carefully to choose the appropriate level of training (your manager should be able to support with this)

Trauma Informed Training

Training is for any public service staff

This training is 2 hrs long and aims to build a foundational understanding of Trauma, looks at self-care and how to support people affected by trauma.

Trauma Skilled (Transforming Connections)

Aimed at anyone who through their work may come into contact with someone affected by trauma (those with a specific remit to intervene would also qualify for Trauma Enhanced training, but are welcome to attend this).

This NES developed training is a full day which builds on your existing Trauma knowledge and develops your skills Trauma Responsive practice

All Venues TBC
